

**I did not want my daughter to be a nurse.**

**It is no job for a fine lady**

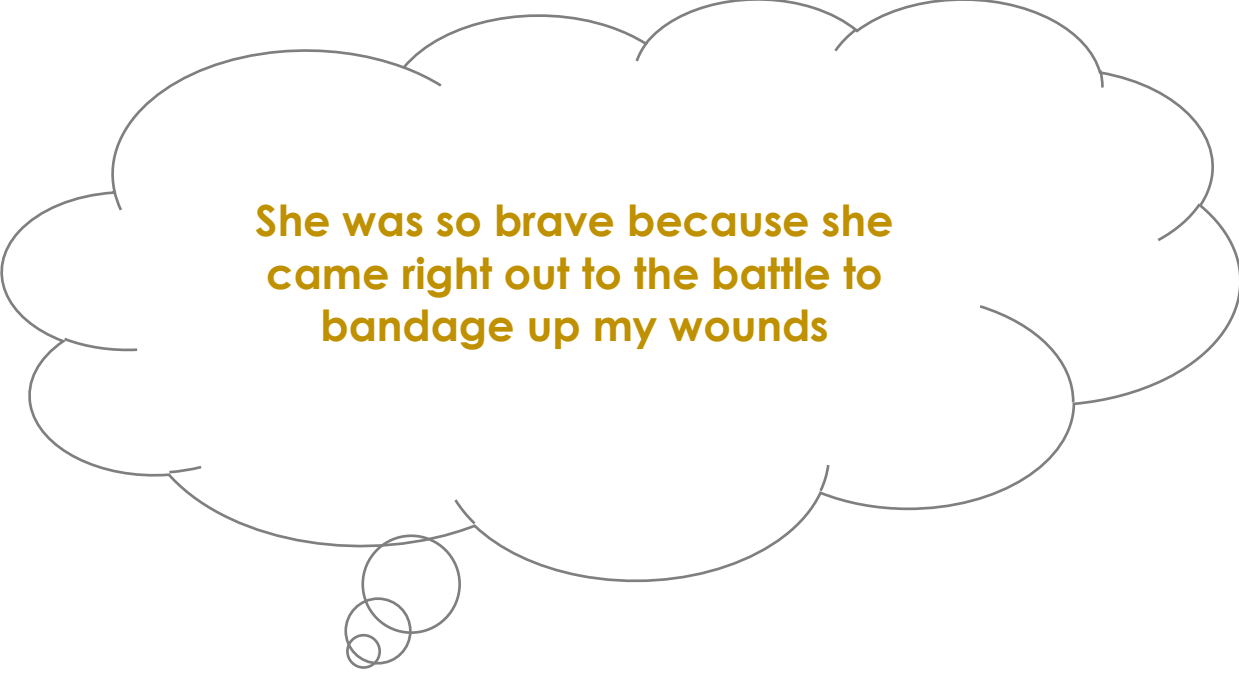

**I had to send so many letters back to England to get the things we needed in the hospital**

**My daughter used to mix herbs with me to help people who were ill**

**I had to set up a shop to sell food and other useful things to the soldiers so that I could get some money**

**She was so brave because she came right out to the battle to bandage up my wounds**

**She was a terrible bossy woman. How dare she try to tell me how to run my hospital!**

**She used to walk around the hospital  
at night to make sure we were alright**

**She was a clever lady who knew how to  
improve hospitals**

**She used herbs to help heal men's wounds**

**She was a large lady who wore bright clothes**
